

EVACUATION PLAN GUIDELINES

OSHA Regulation, 29 CFR Section 1910.38 sets forth the requirements for an Emergency Evacuation Plan

The tent(s), booth(s), inflatable(s) and/or other temporary structure(s) you have rented from ABC Rentals, Inc., a Florida corporation, d/b/a "Diamonette Party Rental" (hereinafter, "DPR," "Lessor," "we," "us," and "our") will be erected to provide temporary accommodations for your event. Temporary structures can provide protection from moderate weather, but are not designed for use as shelter in severe weather. **Consequently, the Rented Item(s) may need to be evacuated in the event of severe weather and/or other emergency situations.**

It is your ("Customer's" or "Lessee's") responsibility to ensure your guests' safety. DPR recommends that you develop an emergency evacuation plan so you are prepared to act decisively in the event of an emergency during your event. Following are suggested guidelines for developing an emergency evacuation plan.

Situation	Why you may need to evacuate
Lightning	The temporary structure is not grounded.
High / Gusty Winds (over 25 mph / 40 kph)	It subjects structure to forces beyond its limitations; the structure cannot protect occupants from flying debris.
Excessive Rain	It subjects structure to forces beyond its limitations; saturation of ground with water may compromise securement.
Hail or Sleet	It subjects structure to forces beyond its limitations.
Accumulation of Precipitation	It subjects structure to forces beyond its limitations.
Ice storm	It subjects structure to forces beyond its limitations.
Flooding	Saturation of ground with water may compromise securement.
Smoke, Fire or Explosion	The structure cannot protect occupants from excessive heat, flames or flying debris, and may trap smoke, gas or other harmful airborne substances.
Gas leak	Leaks may create the risk of fire or explosion. Atmospheric conditions may not be suitable for occupants.
Riot, War, Commotion, Civil Unrest, Terrorism	Structure cannot protect occupants from physical harm due to riot, war, commotion, civil unrest, terrorism or threats thereof.
Earth movement (e.g., tremor, landslide)	Ground conditions may not be suitable for occupants and may compromise the structure's integrity, stability or securement.

Note: This is not an all-inclusive list. You and your point person(s) should determine any and all emergency conditions that could arise during your event.

BEFORE YOUR EVENT:

1. Emergency Shelter: Work with your point person(s) to determine where guests will seek shelter if necessary:

- Identify a nearby permanent building large enough to accommodate your guests, or if no such building is available, another form of reasonably sufficient shelter or other location recommended by the *National Weather Service* or *Emergency Alert System* to serve as an emergency shelter.
- Make sure the building will be open and accessible during your event.
- Determine how guests will get there (e.g., the route to take, travel by foot or car, etc.).
- Make a note of the building's address in case you have to call for emergency assistance.

2. Communication: Make sure you have telephone and other methods of communication in the event of injuries. Pre-program emergency numbers in your mobile phone so you can act quickly to call police and/or emergency response personnel if necessary. Depending on the size of your

event, backup communications may be needed in situations where there is no electrical power, cell phone signals are interrupted, etc.

3. Your Designated Point Person(s) Will be Responsible for:

- Monitoring** a weather source (such as the *National Weather Service*) two or more hours before your event begins, checking specifically for [SEVERE WEATHER ALERTS](#).
- Deciding** whether or not to proceed with the event under the tent(s) based on that information.
- Checking** each rented structure for any changes since installation (for example, stakes pulling out of the ground, loose poles, ropes or straps etc.).

If you notice anything unusual call us immediately using our **emergency number: 305-345-1431**.

DURING YOUR EVENT:

4. Monitor the weather, and implement your EVACUATION PLAN IF ANY ONE OR MORE OF THE FOLLOWING OCCUR(S):

- Severe Weather Alert:** If a Severe Weather Alert is posted by the National Weather Service.
- Lightning Strike:** If lightning strikes within 1 mile (count of less than 5 seconds between lightning and thunder).
- Threatening Weather:** Dark clouds are approaching.
- High Winds:** High winds causing large trees to sway or leaves to be torn off trees (typically, winds in excess of 25 mph / 40 kph).
- Smoke, Fire or Explosion.**
- Heavy Precipitation:** Heavy rain, hail, sleet, or ice begins falling or accumulating on the tent(s) (e.g., rain falling so hard that it runs off the tent walls in sheets, accumulates on the top(s) of the tent(s), etc.).
- Flooding:** Water running through the tent or surrounding area.
- Gas leak.**
- Anchoring Failure:** Any of the anchoring devices fail(s) or the Rented Item(s), any pole(s) or wall(s) begin(s) to move, tilt or bend.

IF A DECISION IS MADE TO EVACUATE YOU MUST:

- (A) Make a Public Announcement:** Announce immediately that there is a weather or other emergency and that it is unsafe to stay in or under any Temporary Structure. Require all occupants to evacuate immediately and take shelter in the location(s) you've chosen as emergency shelters.
- (B) Render Assistance:** Assist your guests along the evacuation route to the emergency shelter.

AFTER AN EVACUATION, even if the Rented Item(s) appear(s) to be intact, it/they may not be safe to return to. For example, one or more stakes may have been pulled out of the ground or there may be loose poles, ropes or straps. **Contact DPR, so we can inspect each structure BEFORE you permit anyone to reenter and/or resume your event.**

SAFETY RULES **FOR TEMPORARY STRUCTURES**

The following **SAFETY RULES** apply to any and all tents, booths, inflatables and other temporary structures (each, a "Rented Item") provided by ABC Rentals, Inc., a Florida corporation, d/b/a "Diamonette Party Rental" (hereinafter, "DPR," "Lessor," "we," "us," and "our") under the terms of its Rental Contract (the "Contract") with each of its customers (each being hereinafter referred to as "Customer," "you" and/or "your").

RULE #1: ENSURE THE INSTALLATION SITE IS PROPERLY PREPARED

The installation site ("Site") must be reasonably uniform, safe, clean, flat, smooth, dry and free of accumulated precipitation at all times. You must also ensure that the Site has adequate 3-dimensional clearance (length, width and height), including the minimum clearance on each side and each end as required by the International Fire Code and NFPA standards. You agree to obtain, at your sole cost and expense, all necessary licenses, permits, authorizations and approvals, advise the appropriate Utilities Protection Service and **mark all underground utilities and cables** including without limitation, water, gas, steam, sewer and electricity lines, underground sprinklers and television and data cables, and upon completion thereof, to provide complete and accurate copies of the same to DPR. **Locating and marking underground utility lines prior to installation is your responsibility.** For line locations, call Sunshine at 1-800-432-4770 or 800-638-4097, or go to www.sunshine811.com, at least 2 full business days prior to your event.

RULE #2: USE OF WEIGHTS/WATER BARRELS TO ANCHOR RENTED ITEMS DISCOURAGED

WE STRONGLY DISCOURAGE USING WEIGHTS, SUCH AS WATER BARRELS AND/OR CONCRETE BUCKETS TO ANCHOR RENTED ITEMS.

WEIGHTS ARE INHERENTLY DANGEROUS. If installation of any Rented Item proves impossible other than with the use of weights, and you elect to use them, you do so at your own risk. WE DISCLAIM ALL LIABILITY ARISING IN CONNECTION THEREWITH, AND YOU: (A) ASSUME ALL ASSOCIATED RISKS; (B) WAIVE AND RELINQUISH ANY AND ALL ASSOCIATED RIGHTS, CLAIMS, DAMAGES, LOSSES, COSTS AND EXPENSES (INCLUDING ATTORNEYS' FEES) AGAINST DPR; AND (C) AGREE TO INDEMNIFY, DEFEND AND HOLD HARMLESS DPR, ITS OWNERS, OFFICERS, MANAGERS, DIRECTORS, AGENTS, EMPLOYEES, REPRESENTATIVES, SUCCESSORS AND ASSIGNS, FROM AND AGAINST ANY AND ALL ASSOCIATED PERSONAL INJURIES, LIABILITIES, CLAIMS, DAMAGES, LOSSES, COSTS AND EXPENSES (INCLUDING WITHOUT LIMITATION, ATTORNEYS' FEES).

RULE #3: DO NOT ATTEMPT TO MOVE OR MODIFY AN INSTALLED RENTED ITEM WITHOUT OUR APPROVAL

Once a Rented Item has been set and anchored in place by DPR (or at our direction), attempting to move or modify it in any way **can result in personal injury(ies) and/or property damage**, and is **strictly prohibited**. Certain practices, such as attempting to relocate stakes, anchors or poles, reconfiguring the Rented Item's footprint, or deinstalling side panels can destabilize the Rented Item and cause it to move, shift, tip or collapse, particularly in severe weather. Accordingly, you agree to refrain from doing so absent the express written approval of DPR.

RULE #4: LIMIT OR ELIMINATE FIRE HAZARDS WHEREVER POSSIBLE

Temporary Structures and/or their Contents can catch fire. You will: (a) not permit the use or storage of fire sources, open stoves or flammables inside of or unreasonably close to the interior or exterior of any Rented Item; (b) ensure all exits and exit routes are clearly marked and remain unobstructed at all times; and (c) ensure all required fire extinguishers and other firefighting tools are reasonably accessible at all times.

RULE #5: DO NOT EXCEED MAXIMUM CAPACITY(IES)

Overcrowding is dangerous and can result in personal injuries, property damage and/or damage to the Rented Item(s). Exceeding a Rented Item's capacity may also be a violation of applicable law(s), which can result in civil and/or criminal penalties. You agree to closely monitor utilization of the Rented Item(s) and ensure that its/their maximum capacity(ies) is/are not exceeded and it/they are not otherwise misused or overused.

RULE #6: DO NOT GRANT ACCESS TO UNRULY, HOSTILE OR INTOXICATED EVENT PATRONS

Person(s) who exhibit unruly or hostile behavior or appear to be intoxicated is/are strictly prohibited from entering or using any Rented Item.

RULE #7: ENSURE THAT CHILDREN ARE SUPERVISED BY A RESPONSIBLE ADULT AT ALL TIMES

NEVER permit **children** to enter, use or have access to any Rented Item(s) **unless supervised at all times by a responsible and competent adult.**

RULE #8: DO NOT PERMIT ACCUMULATION OF PRECIPITATION (E.G., SLEET, HAIL OR RAIN) ON RENTED ITEMS

ACCUMULATED PRECIPITATION CAN DAMAGE A RENTED ITEM AND/OR CAUSE IT TO **COLLAPSE**. RENTED ITEMS ARE TYPICALLY NOT RATED FOR ACCUMULATIONS OF PRECIPITATION. YOU AGREE TO CAREFULLY MONITOR PRECIPITATION, TO PERIODICALLY REMOVE ALL SLEET, HAIL AND OTHER FORMS OF ACCUMULATED PRECIPITATION FROM ALL RENTED ITEMS, AND TO COMPLY FULLY WITH ALL INSTRUCTIONS PROVIDED BY DPR

RULE #9: PROTECT PERSONAL PROPERTY FROM WATER DAMAGE

RENTED ITEMS ARE NOT WATERPROOF. PRECIPITATION, INCLUDING RAIN, SLEET AND HAIL, MAY AMONG OTHER THINGS, PENETRATE A RENTED ITEM'S SURFACE AND DAMAGE ITS CONTENTS ("WATER DAMAGE"). You therefore agree to take all necessary steps to protect any property that may be damaged as a result of contact with precipitation (including, but not limited to, linens, draperies, clothing, documents, furniture, collectibles, cameras, computers, video and sound equipment and other electronic devices) while stored under or inside any Rented Item.

RULE #10: MAINTAIN AND POST IN A CONSPICUOUS PLACE AN OSHA-COMPLIANT EVACUATION PLAN, AND EVACUATE THE RENTED ITEM(S) IN THE EVENT OF SEVERE WEATHER (SEE OUR SAMPLE EVACUATION PLAN AND GUIDELINES)

TENTS AND OTHER TEMPORARY STRUCTURES MAY MOVE, LEAK, COLLAPSE, OVERTURN OR CATCH FIRE, PARTICULARLY DURING HAZARDOUS WEATHER (e.g., rain, sleet, hail and high winds). You agree to **maintain and post in a conspicuous place, an Evacuation Plan** for each Rented Item, as required under OSHA Regulations (29 CFR Section 1910.38), and if severe weather occurs or threatens (for these purposes, "severe weather" includes lightning, hail, rain, sleet, ice, and/or winds in excess of 25 mph / 40 kph), you will: (a) **cause all occupants to DISCONTINUE USE OF AND EVACUATE** such Rented Item(s); (b) protect the Rented Item(s) and its/their contents (including disconnecting all electrical devices and covering any property that may be subject to wind or water damage); and (c) **PERMIT DPR, AT ITS SOLE OPTION, TO DELAY DELIVERY, OCCUPANCY AND/OR INSTALLATION OF, OR DISMANTLE AND/OR RETRIEVE ANY OF SUCH RENTED ITEM(S)** (without obligating DPR to do so). **YOU ASSUME ALL RISKS ASSOCIATED WITH EACH OF THE FOREGOING.**

CUSTOMER/LESSEE ASSUMES FULL RESPONSIBILITY FOR ALL PERSONAL INJURIES AND PROPERTY DAMAGE (INCLUDING DAMAGE TO THE RENTED ITEM(S) AND ALL REAL AND PERSONAL PROPERTY LOCATED IN, ON, UNDER, AROUND OR ON TOP OF THE RENTED ITEM(S)) AND AGREES TO INDEMNIFY, DEFEND AND HOLD HARMLESS DPR FROM AND AGAINST ANY AND ALL ASSOCIATED PERSONAL INJURIES, LIABILITIES, CLAIMS, DAMAGES, LOSSES, COSTS AND EXPENSES (INCLUDING WITHOUT LIMITATION, ATTORNEYS' FEES).
